Pricing & Orders (toll free) 877-474-7227  
 Product Info (toll free) 800-253-9638

Our stainless steel microfiber SQZ-BIN is designed with patient room cleaning in mind! The bin can carry several pads. Use pads wet, or squeeze excess chemical from pads into basin.

### New "Snaprack" Tool Holder

"Snaprack" tool holder achieves what seems impossible, holding sticks and tools in place every time with our stretch mount toggle strap.

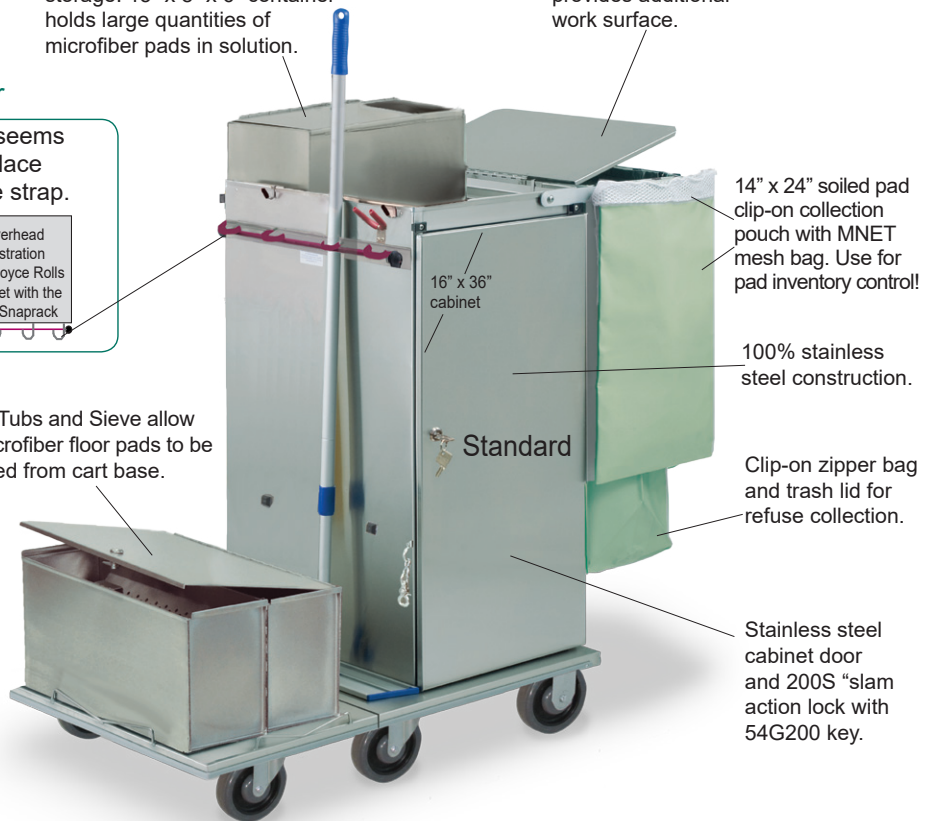

Overhead illustration of a Royce Rolls cabinet with the new Snaprack

SQZ-BIN fits on top of housekeeping cart tray, leaving room for cart top storage. 15" x 8" x 6" container holds large quantities of microfiber pads in solution.

Lid covers bin to keep chemicals and pads out of sight. Also provides additional work surface.

LST2 Tubs and Sieve allow for microfiber floor pads to be handled from cart base.

Standard Size Cart as shown  
 (Mop stick not included)

**#GF36-LST2ES**

## The "Snaprack"

(Now standard on all carts!)

Imagine never losing a tool off your cart again! The "Snaprack" securely contains tools in their mounts everytime! It is composed of four stainless steel hooks and a latex-free band which holds mop sticks/tools in place.

Add a Snaprack to any cart #SNAPRACK  
Replacement Toggle Strap #TGLSTRAP

Fits on any Royce Rolls Cart!

 See a Demo on our website!

**Stick Corral**

 New Product!

## The Stick Corral

(Now standard on MP Series)

The stick corral add-on works in conjunction with the "snaprack" or most cart tool holders. Prevents sticks from slipping off your cart.

#STICKCORRAL

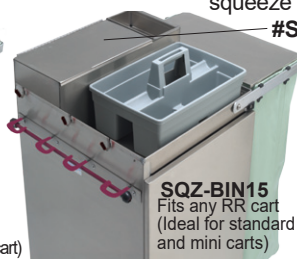

## Also sold individually SQZ-BINS for Microfiber Pads

Stainless steel microfiber squeeze bin 20" x 8" x 6"  
**#SQZ-BIN20**

Each Squeeze Bin includes stainless steel drip basin and stainless steel lid.

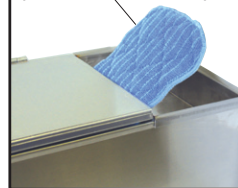

**SQZ-BIN20**  
Fits Super-Sized Carts only, if using plastic caddy on top (minus caddy, fits any RR cart)

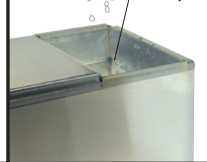

**SQZ-BIN15**  
Fits any RR cart (Ideal for standard and mini carts)

Stainless steel microfiber squeeze bin 15" x 8" x 6"  
**#SQZ-BIN15**

Pull pad out between lid and basin, squeezing excess moisture. Apply more pressure for a drier pad.

Drip basin collects residual droplets.

## Benefits of microfiber cleaning

- Microfiber mops are much lighter to use
- Minimizes work-related injuries
- Labor productivity increases
- Sweep and mop simultaneously
- Allows for pad inventory control
- Less chemicals, disposables, and water
- Eliminates cross contamination

## Add-on Glove Box Holder for Cart

Clips onto side of Royce Rolls cleaning carts for easy access. Holds one glove box.  
**#GBC1**

# Ultra Secure Cleaning Cart!

Royce Rolls Ringer PST premium series carts are equipped with four combination locks to help secure and conceal chemicals, tools and trash. This helps prevent hazardous situations and theft in environments where extra security is necessary. Used throughout many facilities, especially in children's and psychiatric units/hospitals.

## Pre-assembled Cart Loaded with Features!

- The 3 compartment cabinet provides ample storage for resupply of paper goods & other necessary items.
- Stainless steel top box secures your caddy or chemicals with a full 14" door clearance.
- Trash lid secures your trash, while providing additional work surface.
- The cabinet backbar allows pouch and wet floor signs to be concealed between cabinet and zip bag.
- PST2 double microfiber tubs with combo-locking lid will keep your mop chemicals under cover.
- Our hinged locking toolbar latches inside cabinet and limits access to tools.
- 5" Quiet smooth rolling wheels with dual precision bearings

The top box fits all Royce Rolls Ringer carts. Keep your caddy and chemicals locked up! Also sold separately (see page 15)

### 4 Combination locks on unit!

The 3-digit combination doorlock let's you choose your own combination from over 1000 possibilities. Offers an ultra-secure, keyless option that eliminates lost keys. Supervisor's key #MKEY (sold separately) can override or retrieve current combination.

Hooks and tool rack for other accessories.

16" x 36" cabinet

Zipper bag and locking trash lid for common waste collection. Lid also provides additional work surface.

Backbar conceals pouch and sign behind bag & under lid

Pouch

## Standard Size Cart as shown #GF36-PST2E

Stainless steel folding platform 16" x 36" microfiber cart complete with 2 shelves, "snaprack" tool holder, locking door with #7440M Combination lock (Supervisor's key #179 sold separately), flat-band handle with clip-on zip bag, combo-locking trash lid, Backbar mounted in between cabinet with 14" x 24" clip-on pouch with MNET, wet floor sign holder, mounted combo-locking TBOX, hinged locking toolbar, #5TPR quiet smooth rolling wheels, and PST2 microfiber double tubs with sieve and combo-locking lid.

Stainless steel is a durable, corrosion resistant, non-porous material which offers a smooth surface to clean. Hospitals, surgical centers, kitchens, food and pharmaceutical processing facilities have long made stainless steel their first choice due to the strictest hygenic conditions.

### Locking Tool Bar

Latch to inside cabinet. Secure by closing locked door.

Helps to limit accessibility to sticks and tools.

Hinged Tool Lock Bar connects and locks inside cart door. Hinged Lock Bar swings out to allow tool use. #LBAR also sold separately.

# Microfiber Cloths, Pads, and Specialty Cleaning Tools

Using microfiber pads is the thorough way to clean patient room floors. Pads, sticks, and frames weigh much less than traditional mopping equipment.

Cleaning with microfiber uses less water, less chemicals, and less time. Microfiber pads last at least 3 times longer than standard mops.

Microfiber collects more dirt and germ-related materials than traditional mopping methods.

Use microfiber products with your existing Royce Rolls equipment or try out our SQZ-BIN (page 6) or MST/LST Systems (pages 4-5) for a new way to handle your pads.

## Microfiber pads, frames, and sticks

# Mop Heads and Mop Sticks

Our loop mop heads are made in the USA and are ideal for use in health care facilities, laboratories - wherever the highest standards of cleanliness are required. They are launderable and extra absorbent with good moisture retention and low lint. Our mops do not require break-in and include a 5 inch wide mesh band.

## Health Care Blend Preshrunk Premium Loop Mop

A premium mop which is pre-laundered and preshrunk. They are made of a Cotton/Rayon and a synthetic blend of fibers providing extra high tensile strength, extra absorbency and good moisture retention.

Mop Sizes	STOCK# CASE(12)
Small Blended Wideband Mop	5500SB
Medium Blended Wideband Mop	5500MB
Large Blended Wideband Mop	5500LB
Extra Large Blended Wideband Mop	5500XLB

(Standard color in Blue. Green, Orange, Red, and White are available by request.)

## Health Care Synthetic Preshrunk Premium Loop Mop

A synthetic and rayon fiber mop which is preshrunk and pre-laundered. These extremely absorbent mops dry quickly, reducing odor and bacteria growth.

Mop Sizes	STOCK# CASE(12)
Small Synthetic Wideband Mop	4400SB
Medium Synthetic Wideband Mop	4400MB
Large Synthetic Wideband Mop	4400LB
Extra Large Synthetic Wideband Mop	4400XLB

(Standard color in Blue. Green and White are available by request.)

## General Maintenance and Health Care Premium Blend Loop Mop

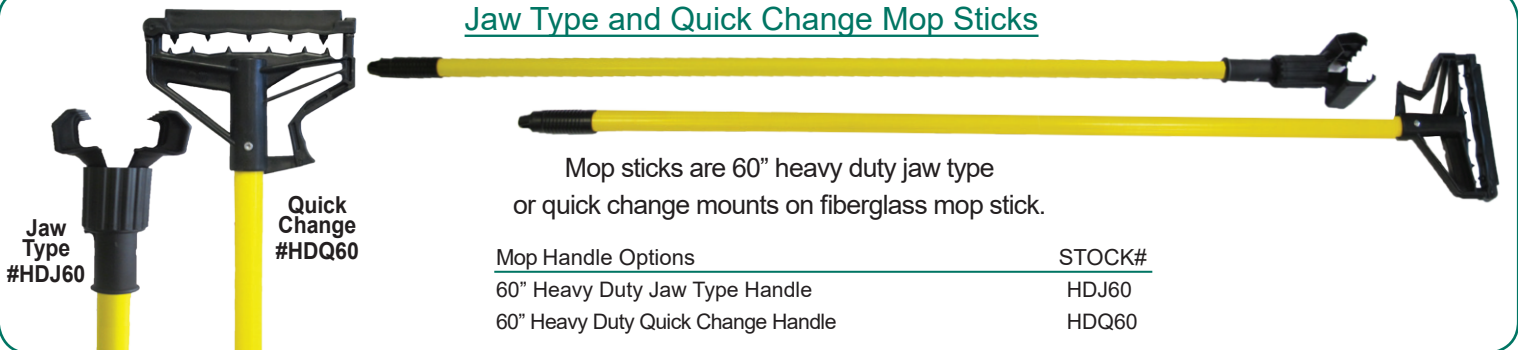

A premium non-preshrunk mop made of a Cotton/Rayon and synthetic blend providing extra high tensile strength, extra absorbency and good moisture retention.

# The Indestructible Dispenser\*

**All series available in 1,2,3, or 4 roll sizes**

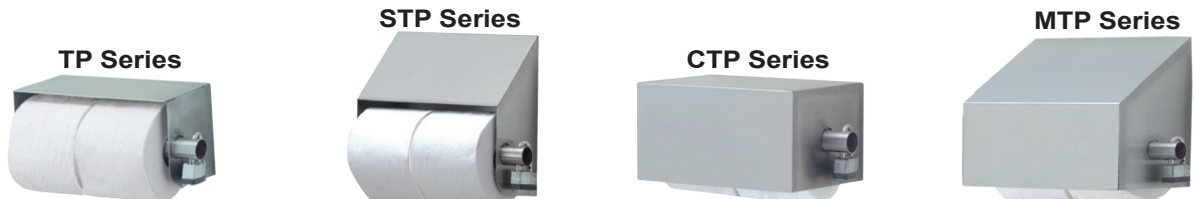

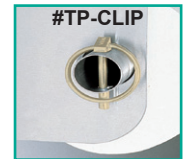

**TP Series**

You can't do without our tough-built stainless steel TP-Dispensers. They're hard to scratch or dent, and pilfer-proof when teamed with a sturdy durable lock. If value, not vandalism, is a concern, try the handy TP-Clip.

Our TP-Dispenser frames are made of heavy duty, rust-proof, type 304 stainless steel, with no moving parts, so you are assured of many years of service with little or no maintenance. They're easy to install, clean and refill, and you have a choice of our 1,2,3, or 4 roll model!

Choose Durable Locks (keyed alike) or TP-Clip (each sold separately)

ROLLS	SIZE	Standard Dispenser	Slanted Dispenser	Covered Dispenser	Slanted and Covered Dispenser

# Advantages of Royce Rolls Ringer Cleaning Carts

Our carts are made of stainless steel, which offers a smooth, non-porous surface that is easy to disinfect.

Carts are made in Grand Rapids, MI and ship fully assembled.

Heavy-duty stainless steel construction is long-lasting and guaranteed for 10 years.

The platform fits any Royce Rolls traditional or microfiber mop system. (See below)

#GF36 (see page 2)

Replacement parts are available and easy to change. They offer a cost effective way to keep your Royce Rolls cart functional for many years. (See page 15)

The cabinet offers ample lockable storage space. A top lock box is available if more locking storage is needed. (See page 15)

Smooth-rolling casters with dual-precision bearings make it easy to push even when the cabinet is loaded up.

## Traditional and Microfiber Mopping Systems

#28R

#214R
